

About Kaye/Bassman

Kaye/Bassman was founded in 1981 with the mission to positively impact companies and enhance careers by providing the finest in professional, executive, technical and scientific search.

Our mission coupled with our *Client Focused Search™* approach and *Market Mastery* has vaulted us to become the largest single-site search firm in the country.

It is our **Specialization** by functional area, industry sector, position and geographic location; **Flexibility** in customizing our process, relationship and terms around the unique needs and expectations of our clients; **Array of Services** that ensures our ability to handle any staffing challenge; and **Track Record** of success that enables our clients to gain a competitive advantage and candidates to advance their careers.

Energy Oil and Gas

The Kaye/Bassman Oil and Gas Recruiting Practice provides recruiting services for exploration and production, midstream and downstream companies throughout North America and Internationally. Our upstream and midstream group is divided regionally by Appalachia, Houston, Mid-Continental (Kansas, Oklahoma, North and West Texas), the Rocky Mountains, Calgary, Alaska and California.

Our downstream group is divided geographically by gulf states, east coast and west coast regions. These teams are also responsible for providing executive search services to engineering, geosciences, banking and government regulatory offices. Regardless of your unique requirements, our *Market Mastery* and *Client Focused Search* approach has enabled us to deliver unparalleled results to any functional area, industry sector, level of position or geographic location.

Kaye/Bassman has the tenure and the resources to help clients address their staffing challenges. We have a proven track record of placing highly skilled candidates at key institutions across the nation for select clients. We succeed because of the tremendous value we place on long-term client and candidate relationships.
